

ideas of automation

A COLOMBO FILIPPETTI COMPANY

OUR LEADERSHIP

IS BUILT ON OUR OWN EXPERIENCE

Over seventy years of history, starting from the middle of the last century up to the technological evolution that is bringing us into the age of artificial intelligence, with a common line that has always accompanied us: growing by learning from ourselves and our customers, for a continuous and constant evolution.

WE ARE RELIABLE

BECAUSE WE ARE LOOKING TO THE FUTURE

Since the beginning, our vision has driven us towards always better, more reliable and better performing solutions, at the service of progress and innovation in the market of automation worldwide

OUR STRENGTH

IS THE CULTURE OF PRECISION

The meticulous attention for even the smallest detail, the care of perfection, are the distinctive traits that have always distinguished us and are etched in our daily behaviour

QUALITY

IN EXCELLENCE IS OUR MAIN GOAL

The research for the highest level of quality is expressed in all the aspects of our activities, aimed at ensuring absolute excellence in both every manufactured product and service provided to our customers

CONTROLLING

OUR MOUVEMENTS

Automation means accuracy in motion, it is infinite repeatability of perfect movements calculated with absolute accuracy, in order to assure the highest known performances

ALWAYS PUTTING OUR CUSTOMERS

AT THE CENTER OF OUR WORLD

*The customer and their complete satisfaction
is our only reference, their needs are
always at the centre of our thoughts and our
actions*

WE ARE COFIL

STRONG IN OUR ABILITIES

We are the main partners of the best and most developed industrial realities in the world, our strength is the awareness of our abilities and skills, the certainty of being a universe of important and unique values.
